5Min	WUS und Globares lernen vorstellen	PPT: Beamer	The berufschuler should know the topic and know about Globales <i>Lernens</i>
3-5 Min	Thema vorstellen: „Where are you from? Desing thinking method“	Explain the method Desing Thinking (only the bases)	Students should know how it works for everything
Informationsphase			
15 Min	Empathize: TikTok videos „Where are you from? “ and open questions / know what they think about it: Beamer, Laptop.	Biases / stereotypes Empathize phase: Video and open questions	The students should be involved with these questions and share experiences. I will go first! - What comes to your mind when I say: I am from Colombia? -What do you think of us? - How do you feel with the question. Where are you from?

2-5Min	Icebreaker		Put the chairs please in two slides. One group in front of another and we will talk with the person in front of us!	
Gruppenarbeit				
20Min	Define the problem	Two groups but in pairs Max. 2 Flipchart-papier per pair We will share pairs each 3 min...	Ask in group / pairs: Where were you born? Where did you group up? Which culture and nationality identify you the most? Do you usually ask, where are you from? What can we ask instead of it? Do you like when people ask it? Do you ask it to others?	
10 Min	Ideate: Share the answers in each field. Say / think / Do / feel	Sketching: Put answer on the board Map	We share the answers and look in deeper conversation.	
2 Min	Break		Kaffee-Wasser	
Gruppenarbeit				
10 Min	Prototype:	Explain and in pairs create an acting it out / tik tok / paint of the best questions you can	They should understand the problem and create a better idea to break out the bias and stereotypes.	

		think...		
		Beamer, Laptop, Colors, Papiers		
Handlungsoptionen				
5 Min.	Test	Discussion: One person / country is many things at the same time Everything is diversity We need a clean head	What are the consequences to put people on boxes?	
Auswertungs-und Reflexionsphase				
5 Min	Feed back	Let me know what you think	We can have an open conversation about how it was going up. Write the feedback for me please!
