## Starting your career

**with a career transition  
grant for students/graduates  
from North Macedonian State Universities**

- Preparatory Training Sessions July till October 2025
- During Internship (3 till 6 month):
  - training and coaching
  - monthly grants
  - seminars

**Application deadline: 31st of october 2025**

The project is funded by State Chancellery of the State of North Rhine-Westphalia – Germany

Die Landesregierung  
Nordrhein-Westfalen

## ■ Objective and Implementation

The aim for offering internship grants and training for business start-ups to students in the transition period between study and work is to strengthen the educational elite in North Macedonia to ensure a new generation of well-trained specialists. With this transition program we want to enable young graduates to develop a professional future in their home country.

The transition grant addresses students at all North Macedonian State Universities, who are in the final stage of their master's program (graduation during the winter term of 2025/2026) or graduated within the last six months from a Bachelor's or Master's program and are now looking to start a professional career. Applicants from low-income households are granted preferential admission.

**If you already have an interesting internship position or if you are looking for a suitable internship, you can send us your application.** The internship should take place between October 2025 and June 2026 and should not last longer than three to six months.

In addition to a monthly grant of €250.00 (for up to six months), students or young graduates are offered advice and coaching on application strategies, career entry, internship opportunities and business start-up.

In the course of the program with a maximum duration of six months, either job application training or business start-up coaching will be offered, depending on the type of grant you are selected for.

**Please note that the internship-period should not exceed the 30<sup>st</sup> of June 2026**

## ■ Requirements you need to meet

**You are a citizen from North Macedonia**

- You are in the final stage of your master's program at a state university  
or
- You have graduated within the last six months from your Bachelor's or Master's program and are now looking to start your professional career

### ■ You have an idea for a business start-up

- **You want to start your own business and already have an idea for a business model?**

You only need a few more months to prepare and turn your business idea into reality

and/ or

### ■ Are you planning to start your professional career?

- **You would like to start an internship and have already found an internship position?**

An internship adds important practical experience to your academic studies. In addition, you can make professional contacts during your internship that are very important for your future career.

**If you match this description, we will support you with an internship grant and coaching.**

## ■ What we offer

**Our transition program includes the following offers:**

- o a grant of €250 per month for a period of 3 to 6 months:

### - a coaching seminar for

- o professional orientation
